Dear Parent/Carer

A case of Head Lice has been reported to the school.

As lice are transferred by direct head to head contact, please check your child's hair tonight. It is recommended by the school nurse that this is done with a detection comb.

If you find live lice, please treat with a lotion as soon as possible.

Thank you for your co-operation in this matter.

Yours faithfully

C S Kennedy (Mrs)  
Headteacher
