Dear Parents/Carers

YEAR 6 MATHS GROUPS & REVISION WORKBOOK

I am writing to let you know that we have been able to staff an extra maths group in year 6 and as a result a few children will have been told today that they have a different maths teacher.

We are pleased that this means our class size for maths remains below or well below average. The decision is to continue to aim for the very best outcomes for all children.

Also, we would like year 6 pupils to have KS2 SATS Question Booklets. Pupils will be able to make their own notes/jottings for revision purposes. We are able to buy these books for £2.50 (£4.95 retail price). If you would like your child to have one, please complete the slip below and return by Wednesday 11th January 2017.

Yours faithfully

Mrs E Payne, Head of Maths
